GainSpot Announcements

🇩🇪 Hallo GAINER,
wir (das Core-Team) überlegen aktuell wie wir GainSpot effektiver gestalten können um möglichst hohe Gewinne für die Community erwirtschaften zu können. Dazu gehört es auch in besonderen Fällen schnell handeln zu können, da sich vor allem bei risikoreicheren Investments ein starker Pump während der Wartezeit auf Votingergebnisse längst gewandelt haben kann. Wir möchten daher die Community um eine Vollmacht für Gewinnmitnahmen bitten. So können wir schnell und flexibel auf Preisbewegungen reagieren. Diese Vollmacht bezieht sich ausschließlich auf Gewinne.
Alle anderen Entscheidungen werden nach wie vor von der Community getroffen.
Was denkt ihr?

🇬🇧 Hello GAINER,
we (the core team) are currently thinking about how we can make GainSpot more effective in order to generate the highest possible profits for the community. This includes to be able to act quickly in special cases, because especially with risky investments a strong pump can have changed long ago while waiting for voting results. Therefore we would like to ask the community for a power of attorney for profit taking. This way we can react quickly and flexibly to price movements. This power of attorney refers exclusively to profits.
All other decisions will still be made by the community.
What do you think?

GainSpot Announcements

Hallo BRO\$ und GAINER,

wie bereits besprochen, arbeiten wir im Hintergrund an der Entwicklung unseres eigenen Vertriebs für BlockRock & GainSpot. Wie angekündigt, erfordert diese Entwicklung eine Erhöhung der Transaktionsgebühren auf 8% beim Kauf und 10% beim Verkauf. Darüber hinaus werden automatisch 10% aller Einnahmen, beispielsweise durch LPs oder verkaufte Assets, in das Vertriebs- und Team-Wallet übertragen. In wenigen Wochen werden wir mit der Generierung von Leads und den ersten Verkaufsgesprächen beginnen. Durch diese Entwicklung werden wir in Zukunft viele neue langfristige Investoren gewinnen. Die Änderungen möchten wir in den nächsten 24 Stunden vornehmen.

Hello BRO\$ and GAINER,

As discussed previously, we are currently working on developing our own distribution system. As mentioned earlier, this development requires an increase in transaction fees to 8% for purchases and 10% for sales. Additionally, 10% of all revenue generated, including through LPs or sold assets, will be automatically transferred to the distribution and team wallet. In a few weeks, we will begin generating leads and conducting our first sales calls. This development is expected to attract many new long-term investors in the future. The changes will take effect within 24 hours. We would like to make the changes in the next 24 hours.
